### COVID-19

In the last month of Financial Year 2020, the COVID-19 pandemic developed rapidly into a global crisis, forcing governments to enforce lock-downs of all economic activity causing disturbance and slowdown in the economic activities worldwide and impacted business, by interruption in supply and demand chains, unavailability of personnel, closure of working activities and offices and also posed unforeseen challenges before business. Further, the Company is committed to its employees and is therefore also considering to continue work from home to some extent even post achieving the normal situation. The Company has started its business activities from June, 2020 partially with limited staff and workers and following all the precautionary measures strictly for safety of employees as per the guidelines issued by Government and local authorities from time to time such as social distancing norms, sanitization, wearing of masks, hand washing, thermal scanning of employees, etc.

Construction sector was already grappling with subdued demand due to oversupply, liquidity crunch and certain regulatory initiatives by various authorities. The COVID-19 has further pushed back this segment and the Company opines that assessment of impact of COVID-19 on future is premature since the virus is still aggressive in India, not subsided elsewhere in the world and there is already effect of recession on global economy.

## **Independent Auditor's Report**

To the Members of **UTL INDUSTRIES LIMITED**

### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the financial statements of UTL Industries Limited ("the Company"), which comprise the balance sheet as at 31st March 2020, and the statement of Profit and Loss, statement of cash flows and *statement of changes in equity* for the year then ended and notes to the financial statements, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013("the Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended ('Ind AS') and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2020 , and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

#### **Emphasis of Matter**

Note No 26 of financial statements where the Company has considered the possible effect if any, that may impact the financial results and carrying amounts of assets arising from the pandemic relating to COVID -19 that has caused significant disruptions to businesses across India. However, the management will continue to monitor any changes to future economic conditions and assess its impact on the business.

Our opinion is not modified in respect of the above matters.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Revenue recognition – accounting for construction contracts	
Key audit matter description	<p>There are significant accounting judgements including estimation of costs to complete, determining the stage of completion and the timing of revenue recognition.</p> <p>The Company recognises revenue and profit/loss on the basis of stage of completion based on the proportion of contract costs incurred at balance sheet date, relative to the total estimated costs of the contract at completion. The recognition of revenue and profit/loss therefore rely on estimates in relation to total estimated costs of each contract.</p> <p>Cost contingencies are included in these estimates to take into account specific uncertain risks, or disputed claims against the Company, arising within each contract. These contingencies are reviewed by the Management on a regular basis throughout the contract life and adjusted where appropriate.</p> <p>The revenue on contracts may also include variable consideration (variations and claims). Variable consideration is recognised when the recovery of such consideration is highly probable.</p>
Principal Audit Procedures	<p>Our procedures included:</p> <ul style="list-style-type: none"> <li>• Testing of the design and implementation of controls involved for the determination of the estimates used as well as their operating effectiveness;</li> <li>• Testing the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard;</li> <li>• Testing a sample of contracts for appropriate identification of performance obligations;</li> <li>• For the sample selected, reviewing for change orders and the impact on the estimated costs to complete;</li> <li>• Engaging technical experts to review estimates of costs to complete for sample contracts; and</li> <li>• Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings</li> </ul>
Audit Conclusion	Our procedures did not identify any material exceptions
Revenue recognition and measurement of contract assets in respect of un-invoiced amounts and measurement of receivables in respect of overdue invoices.	
Key audit matter description	<p>The Company, in its contract with customers, promises to transfer distinct services to its customers which may be rendered in the form of engineering, procurement and construction (EPC) services through design-build contracts, and other forms of construction contracts. The recognition of revenue is based on contractual terms, which could range from cost plus fee to agreed unit price to lump-sum arrangements. At each reporting date, revenue is accrued for costs incurred against work performed that may not have been invoiced. Identifying whether the Company's performance have resulted in a service that would be billable and collectable where the works carried out have not been acknowledged by customers as of the reporting date, or in the case of certain defence contracts, where the evidence of work carried out and cost incurred are covered by confidentiality arrangements involves a significant amount of judgment.</p> <ul style="list-style-type: none"> <li>• Recognition of revenue before formal acknowledgment of receipt of services by the customer could lead to an over or under-statement of revenue and profit, whether intentionally or in error; and</li> <li>• Assessing the recoverability of amounts overdue against invoices</li> </ul>

	raised which have remained unsettled for a significantly long period after the end of the contractual credit period also involves a significant amount of judgment.
Principal Audit Procedures	<p>The procedures performed included the following:</p> <ul style="list-style-type: none"> <li>• Obtained an understanding of the Company's processes in collating the evidence supporting execution of work for each disaggregated type of revenue. Auditors have also obtained an understanding of the design of key controls for quantifying units of items / services that would be invoiced and the application of appropriate prices for each of such services;</li> <li>• Tested the design and operating effectiveness of management's key controls in collating the units of services delivered and in the application of accurate prices for each of such services for samples of the un-invoiced revenue entries, which included testing of access and change management controls exercised in respect of related information systems;</li> <li>• Tested samples of un-invoiced revenue entries with reference to the reports from the information system that records the costs incurred against the services delivered to confirm the work performed and application of appropriate margin applied for the respective services. The auditors have also tested whether appropriate adjustments have been made for the element of variable consideration related to committed service levels of performance. With regard to incentives, auditors tests were focused to ensure that accruals were restricted to only those items where contingencies were minimal;</li> <li>• Tested cut-offs for revenue recognized against un-invoiced amounts by matching the revenue accrual against accruals for corresponding cost;</li> <li>• Reviewed the delivery and collection history of customers against whose contracts un-invoiced revenue is recognised; and</li> <li>• Verification of subsequent receipts, post balance sheet date.</li> </ul>
Audit Conclusion	Our procedures did not identify any material exceptions

### **Information Other than the Financial Statements and Auditor's Report**

The respective Board of Directors of the Company are responsible for the preparation of other information. The other information comprise the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

When we read the full Annual report which is expected to be made available to us after the date of this auditors' report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

## **Management's Responsibility and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to

the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

### **Materiality**

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

### **Communication with those charged with Governance**

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

(e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.

## **ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT**

### **(REFERRED TO IN PARAGRAPH 2 (f) UNDER REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS' SECTION OF OUR REPORT TO THE MEMBERS OF UTL INDUSTRIES LIMITED OF EVEN DATE)**

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of UTL INDUSTRIES LIMITED ("the Company") as at March 31, 2020 in conjunction with our audit of the Ind AS financial statements of the Company as for the year ended on that date which includes Internal Financial controls over Financial Reporting.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020 , based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

However further improvement is required in i) the documentation of Internal Financial Controls of the Company in respect of its risk assessment process, risk analysis of different functional areas and incorporating the process flows at departmental levels including risk mitigation in respect of insurance coverage, ii) strengthening of the monitoring of controls in respect of expenses and fixed assets, confirmation/ reconciliation/adjustment of balances of other financial assets, other current and non-current assets, trade payables, other financial liabilities and other current liabilities and iii) inadequate design of information technology system and application controls that prevent the information system from providing complete and integrated information consistent with financial reporting objectives.

Our opinion is not qualified in respect of the above matters.

**a) BASIS OF PREPARATION:****Statement of Compliance:**

These financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules, 2016, guidelines issued by the Securities and Exchange Board of India ('SEBI') and other relevant provisions of the Companies Act, 2013.

Details of the Company's accounting policies are included in paragraphs b to k.

**Functional and presentation currency**

These financial statements are presented in Indian Rupees ("INR") which is also the Company's functional currency.

These financial statements have been prepared on the historical cost basis and on an accrual basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

In estimating the fair value of an asset or liability, the Company takes into account the characteristics of the asset or liability that market participants would take into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purpose in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102 Share-based Payments, leasing transactions that are within the scope of Ind AS 17 Leases, and measurements that have some similarities to fair value but are not fair value, such as 'value in use', in Ind AS 36 Impairment of assets.

**b) USE OF ESTIMATES:**

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Though management believes that the estimates used are prudent and reasonable, actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which the results are known or materialized.

**c) RECOGNITION OF INCOME AND EXPENDITURE:**

The Company follows the percentage of completion method, based on stage of completion as at the Balance Sheet date, taking into account the contractual price and revision thereto by estimating total revenue including claims/variations as per Ind AS 11 and total cost till completion of the contract and the profit so determined proportionate to the percentage of the actual work done.

Revenue is recognized as follows:

- a) In case of item rate contracts on the basis of physical measurement of work actually completed, at the Balance Sheet date.
- b) In case of Lump sum contracts revenue is recognized on completion of milestones as specified in the contract or as identified by the management. Foreseeable losses are accounted for as and when they are determined except to the extent they are expected to be recovered through claims presented to the customers or in arbitration.
- C) Revenues/Incomes and Costs/Expenditure are generally accounted on accrual, as they are earned or incurred.
- d) Sale of goods is recognized on transfer of property in goods or on transfer of significant risks and reward of ownership to the buyer, which is generally on dispatch of goods.

**d) PROPERTY, PLANT & EQUIPMENT AND INTANGIBLE ASSETS (FIXED ASSETS AND DEPRECIATION):**

Property, Plant & Equipment and intangible assets are stated at cost less accumulated depreciation/amortisation and net of impairment. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable costs of bringing the item to its working condition for its intended use and estimated cost of dismantling and removing the item and restoring the site on which it is located. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

The cost of property, plant and equipment not available for use as at each reporting date is disclosed under capital work in progress.

Depreciable amount for assets is the cost of an asset, less its estimated residual value. Any gain or loss arising on the disposal or retirement of an item of Property, Plant & Equipment and intangible assets is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

When the use of a property changes from owner occupied to investment property, the property is reclassified as investment property at its carrying amount on the date of reclassification.

**e) VALUATION OF INVENTORIES:**

Construction/development material is valued at cost value.

Work in progress is valued at cost plus actual overhead incurred.

**f) PRELIMINARY EXPENSES:**

Preliminary expenses in the nature of expenses for incorporation of the Company, public issue expenses and like expenses; are amortized over a period of five years.

**g) IMPAIRMENT OF TANGIBLE AND INTANGIBLE ASSETS:**

At each Balance Sheet date, the Company reviews the carrying amount of its assets to determine whether

there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss and provide for impairment. Where the impairment loss subsequently reverses, the carrying amount of the asset (cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset in prior accounting periods.

**h) INVESTMENTS:**

Current investments are carried at the lower of cost and quoted / fair value. Long- term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management.

**i) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

**j) BORROWING COSTS :**

Borrowing costs include interest expense calculated using the effective interest method as described in “Ind AS 39 Financial Instruments: Recognition and Measurement”; finance charges in respect of finance leases recognised in accordance with Leases; and exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

**k) ACCOUNTING FOR EMPLOYEE BENEFITS:**

Gratuity and Earned Privilege Leaves are the retirement benefits available to the employees and the same have been determined on accrual basis. There are no eligible employees entitled for such benefits and therefore no provision has been made in respect of such benefits.
